PROACTIVE ATTITUDE SKILL - Adapt positive, reflective, and respectful professional behavior by recognizing different value systems, undertaking controllable actions, and formulating innovative solutions to future challenges.

ARTIFICIAL INTELLIGENCE SKILL - Demonstrate various innovative applications of AI methods and tools for effective professional practice and management of AI augmented workplace.

PHILOSOPHY AND MOTTO

Amor • Servitium • Humanitas (*Love and Service to Humanity*)

VISION AND MISSION STATEMENTS

VISION

The University of the Visayas envisions to be an internationally recognized private non-sectarian university committed to academic excellence, transformational and innovative education.

MISSION

Build and embrace a sustainable research culture among students, faculty and non-teaching staff in support of its academic programs and community extension thrusts.

Develop the talents and potentials of the students towards the practice of professions to be responsive to the changing local and global industry requirements.

Capacitate a community guided by the university extension program and be a catalyst for social transformation.

Develop a community of God-centered, nationalistic, and globally competitive professionals with proactive values and attitudes.

QUALITY POLICY AND OBJECTIVES

QUALITY POLICY

The University of the Visayas is committed to provide quality services that meet or exceed the requirements and needs of our stakeholders through a dynamic and quality management system imbued with values and professionalism.

QUALITY OBJECTIVES

Deployment and dissemination of Vision Statement, Mission Statements, Core Values and Quality Management System in all units.

Improve quality educational services continuously through a responsive feedback mechanism to enhance customer satisfaction.

Participation of faculty and non-teaching personnel in the university-wide learning and development programs.

Sustain the organizational efficiency and effectiveness to ensure viability.

Comply with all applicable stakeholders' needs and requirements.
